BRADLEY-BOURBONNAIS COMMUNITY HIGH SCHOOL

School Profile 2026-2027

Superintendent: Dr. Matt Vosberg | Principal: Dr. Evan Tingley

Director of Counseling: Dave Lamie

Community

Bradley-Bourbonnais Community High School serves the communities of Bourbonnais, Bradley, and St. George, with a combined population of over 30,000. These communities are located approximately 55 miles south of Chicago. Major industries in the surrounding community include healthcare, manufacturing, biomedical, and higher education.

School

Bradley-Bourbonnais Community High School is a four-year comprehensive high school with 115 licensed teachers, the majority of whom hold at least a Master's degree. BBCHS operates on a semester-based school year, with two 18-week semesters. The academic day is divided into seven 50-minute periods with classes meeting five days per week. Full-time students enroll in six classes each semester, with the seventh period serving as lunch/study hall. Students also have an option of enrolling in a seventh "early bird"/zero hour class at the start of their day. Students earn ½ credit per semester for each course successfully completed. All students also participate in Boiler Block, a 35-minute daily period designed to personalize the school experience and enhance the sense of community through advisory, academic support and enrichment. BBCHS is a member school of the Kankakee Area Regional Vocational Education System and the Kankakee Community College District. The 2026-2027 enrollment at BBCHS is 1737 students, including 459 freshman, 389 sophomores, 446 juniors, and 459 seniors.

Transcript Information

All transcripts are sent electronically through Parchment. A weighted and unweighted grade point average is reported for each student. Test scores are not included on the transcript. Only information which is a part of the permanent record generated by Bradley-Bourbonnais Community High School can be verified. Traditional high school courses taken in middle school may not be included on the transcript; students who begin high school in a second year or higher level course have successfully completed the introductory level(s) before entering ninth grade.

Total Candidates - 592

Exams Scored 3+ - 624

In partnership with both Kankakee Community College and Olivet Nazarene University, BBCHS offers junior and senior students the opportunity to begin their college experience while finishing their high school diploma. Qualified students enroll in BBCHS for 2 classes per day and spend the rest of their school day on campus at either KCC or ONU. Students enrolled at KCC or ONU take general education courses designed to help them progress to a bachelors degree at the school of their choice. These college courses are weighted in the GPA.
