The election judges, alternate judges, clerks, members of the early voting ballot board, the central counting station officials, and other personnel necessary for conducting the Election shall be appointed, election judges and alternate judges may be changed, and the central counting station shall be established and staffed all as provided in the Election Agreement and such actions are hereby approved. Further, the Board hereby authorizes the President of the Board or their designee to appoint any such other officials not designated herein or appointed pursuant to the Election Agreement as are necessary and appropriate to conduct the Election in accordance with the Code.

Section 10. **Notice of Election**. Notice of the Election shall be given by: (i) publishing a substantial copy of this Order, in English, Spanish, Chinese, and Vietnamese, one time not earlier than the thirtieth (30th) day nor later than the tenth (10th) day prior to the date set for the Election, in a newspaper published in the District (or that otherwise complies with applicable law); (ii) posting a copy of this Order and the Voter Information Documents (as hereinafter defined) in English, Spanish, Chinese, and Vietnamese on the bulletin board used for posting notices of meetings of the Board and in at least three (3) other public places within the boundaries of the District, not later than the twenty-first (21st) day prior to the date set for the Election; and (iii) posting a copy of this Order and the Voter Information Documents, in English, Spanish, Chinese, and Vietnamese, on the District's website, prominently and together with the notice of the Election and the contents of the Proposition and any sample ballot prepared for the Proposition, not later than the twenty-first (21st) day prior to the date set for the Election through Election Day. Additionally, on Election Day and during early voting by personal appearance, this Order and the Voter Information Documents shall be posted in a prominent location at each polling place. Notice of the Election shall also be provided to the County Clerk and voter registrar of the County not later than the 60th day before the Election Day; which notice the County is hereby authorized and directed to post to its website not later than the twenty-first (21st) day prior to the date set for the Election. Notice of the Election shall be posted to the District's internet website not later than the twenty-first (21st) day before the election, in compliance with Section 4.009, Texas Election Code, as amended. The website for the District can be found at www.cfisd.net.

Section 11. **Conduct of Election**. The Election shall be held in accordance with the Code, except as modified by the Texas Education Code, the Texas Government Code, and the Voting Rights Act, including particularly Chapter 272 of the Code pertaining to multilingual requirements.

Section 12. **Additional Information Required by Section 3.009 of the Election Code**.

(a) **District's Outstanding Debt**. As of the date of this Order, the District's aggregate principal amount of outstanding tax-supported debt was $3,264,440,000 and the aggregate amount of outstanding interest on such tax-supported debt was $1,360,553,438. As of the date of this Order, the District's total ad valorem tax rate for the current fiscal year is $1.0669 per $100 of taxable assessed valuation, which is comprised of a maintenance and operations tax rate component of $0.6669 per $100 of taxable

assessed valuation and a debt service tax rate of $0.4000 per $100 of taxable assessed valuation. At its meeting on August 10, 2026, the Board took action to adopt a tax rate of $1.1569 per $100 of taxable assessed valuation, which is comprised of a maintenance and operations tax rate component of $0.7869 per $100 of taxable assessed valuation and a debt service tax rate of $0.3700 per $100 of taxable assessed valuation for the fiscal year ending June 30, 2027.

(b) Issuance of New Debt. The District intends to issue the bonds authorized by the Propositions in a manner and in accordance with a schedule to be determined by the Board based upon a number of factors, including, but not limited to, the then-current needs of the District, demographic changes, prevailing market conditions, then-current market interest rates, the use of capitalized interest, the availability of other revenue to pay debt service, assessed valuations of property in the District, the use of variable rate debt, and management of the District's short-term and long-term interest rate exposure. Market conditions, demographics and assessed valuations of property vary based upon a number of factors beyond the District's control and the use of variable rate debt involves periodic adjustments in interest rates that vary based on market conditions and contractual obligations. Therefore, the District cannot and does not guarantee a particular interest rate or tax rate associated with the bonds authorized by the Propositions. As such, the information contained in this paragraph is provided solely for illustrative purposes and does not establish any limitations or restrictions or create a contract with the voters. The District estimates that, based on the District's current taxable assessed valuation, current market conditions and estimated future growth in the District's taxable assessed valuation, if all of the bonds authorized by the Propositions were issued in accordance with the District's current project finance plan, the maximum interest rate on the bonds is not expected to exceed 4.50%.

(c) Additional Information. The additional information required by Section 3.009 of the Code is located in Sections 2 and 3 of this Order.

Section 13. Voter Information Documents. The Board hereby approves a voter information document for each Proposition (each, a "Voter Information Document" and collectively, the "Voter Information Documents"), in substantially the forms presented to the Board, with such changes as may be approved by the President of the Board, the Superintendent of the District, or their designee, acting on behalf of the Board, in consultation with the District's general counsel, bond counsel, and financial advisor, as prescribed by Section 1251.052(b), Texas Government Code.

The President of the Board, the Superintendent of the District, or their designee, acting on behalf of the Board, are further authorized and directed to post or provide for the posting of the Voter Information Documents.

Section 14. Findings and Determinations. The Board finds and determines that all of the capital improvements and equipment under Proposition B may be submitted to the eligible voters of the District as a single proposition pursuant to Section 45.003(g) of the Texas Education Code because such capital improvements and equipment will be predominantly used for educational and essential administrative operations and none of which are the type of facilities described in Section 45.003(g)(1-6) of the Texas Education Code.

Section 15. Necessary Actions. The President of the Board, the Superintendent of the District, or their designee, acting on behalf of the Board, in consultation with the District's general counsel and bond counsel, are hereby authorized and directed to take any and all actions necessary to comply with the provisions of the Code and the Voting Rights Act in carrying out and conducting the Election, whether or not expressly authorized herein, including making changes or additions to polling places or procedures to the extent required or desirable as determined by the President of the Board or her designee or as may become necessary due to circumstances arising after the date of this Order.

Section 16. Severability. If any provision, section, subsection, sentence, clause or phrase of this Order, or the application of same to any person or set of circumstances is for any reason held to be unconstitutional, void, invalid, or unenforceable, neither the remaining portions of this Order nor their application to other persons or sets of circumstances shall be affected thereby, it being the intent of the Board in adopting this Order that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, invalidity or unenforceability of any other portion hereof, and all provisions of this Order are declared to be severable for that purpose.

Section 17. Corrections. The District's Superintendent, general counsel, and bond counsel are hereby authorized and directed to approve any technical changes or corrections to this Order or any of the instruments, documents or notices authorized by this Order necessary to (i) correct any ambiguity, mistake, or omission or (ii) comply with the requirements of the Code, changes in law, administrative interpretations of the law, or the requirements of the Election Agreement.

Section 18. Effective Date. This Order shall take effect immediately upon its approval.

PASSED AND APPROVED this 10th day of August, 2026.
