GPA Calculation
Students are not ranked, instead they are awarded Greek Honors.

Grading, %, GPA (HS), GPA (College)
A = Superior, 90%-100%
B= Above-average, 80%-89%
C=Average, 70%-79%
D= Below Average, 60%-69%
F= Failure, 59 or below
College classes are weighted by one point and high school honors classes are weighted by a half point.

School Demographics: 26-27

Native Hawaiian/Pacific Islander: 1%
American Indian/Alaska Native: 1%
White: 56%
Two or more Races: 8%

Inspiring growth, excellence, and innovation to forge the future students envision.

MISSION

Provide free, personalized education resulting in students earning a college degree during high school.

ABOUT US

Odyssey Early College and Career Options (ECCO) partners with Pikes Peak State College, Ed Equity, Western Colorado University and Colorado State University-Pueblo, to offer a coherent and structured curriculum, with high school and college-level work blended into a single academic program. Our students aim to graduate with an Associate degree, sixty credit hours towards their Bachelor's degree, or a high school diploma.

Our four-year university bound students focus on taking guaranteed to transfer credit classes towards an Associate of Arts or Science degree, while our career and technical bound students earn credit towards an Associate of General Studies or Associate of Applied Science.

While on campus, students enjoy a rigorous and relevant education, with highly qualified adjunct faculty members who are excited to grow students to their best selves. Once the college courses offered on Odyssey ECCO's campus are complete, students are granted the opportunity to take the remaining courses required for their associate degree and designation at one of the PPSC campuses around Colorado Springs.

ACADEMIC PROGRAM

An early college is a state designated high school with a four-year curriculum that gives students the opportunity to earn, upon graduation, a high school diploma, associate degree, a postsecondary credential, or 60 college credit hours.

Students attend Odyssey ECCO and take "Guarantee Transfer" college classes taught by Pikes Peak State College and Colorado State University-Pueblo adjunct professors. Freshman and incoming students are enrolled in college preparation courses in the form of honors classes in English, Algebra, Multicultural US History, Biology, Avid, and Career and Technical Education. Students begin taking college Spanish in grade 9 and add additional college level courses to their academic schedule once they are prepared and qualify. The academic program offered to students at Odyssey ECCO is comprises of a total of eight 95-minute block classes per semester. Student attend a combination of honors and college coursework, with a maximum of 15 college credit hours per semester. Block classes are semester-long and meet three times a week. For more information visit: https://odyssey.d11.org/about-us/program-of-studies

Highlights of the Academic Program

- 100% of students take college courses (concurrent enrollment) beginning in grade 9.
