The **Threat Evaluation and Reporting Overview** (TERO) is a three-hour introductory training focusing on a behavioral approach to violence prevention. The TERO raises awareness about the risk factors, triggers and stressors, and warning behaviors that could impact a person's decision to commit an act of targeted violence.

Further, it outlines the mitigating factors that could help prevent acts of targeted violence, while emphasizing the importance of community involvement in seeking help for individuals, and respecting their privacy, civil rights, and civil liberties.

**RISK
FACTORS**

**TRIGGERS and
STRESSORS**

**WARNING
BEHAVIORS**

**MITIGATING
FACTORS**

Basic Threat Evaluation and Reporting Course

The **Basic Threat Evaluation and Reporting Course** (B-TERC) is a one-day training that teaches participants how to help assist in preventing acts of targeted violence, such as, but not limited to, terrorism, school shootings, or mass attacks in public spaces by identifying those threats or observable behaviors that may indicate the potential for violence.

Participants are equipped with the tools to identify and report threats or observable behaviors that may concern others, as well as recognize intervention strategies to move individuals off of a pathway to violence.
