

MAIZE SPECIAL EDUCATION COOPERATIVE ADVISORY COUNCIL

The mission of the Maize Special Education Cooperative Advisory Council is to solicit input, support, provide guidance, advocate, and empower a collaborative partnership in order to strengthen the bonds among the member districts and community stakeholders (parents, students, staff, community partners) to ensure high quality educational opportunities for students with exceptionalities and their families.

**Maize Special Education
Cooperative Kansas
Disability Resources**

**Transition Council
of South Central
Kansas**

**Sedgwick County
Developmental
Disability Organization**

The QR codes provide opportunities for parents and caregivers to connect with resources across the community. These resources provide families and caregivers with transition planning tools, agency-specific information, and possible support opportunities beyond the school day.
