Gate-to-Gate Reminder: Cell phones, smart watches, and other electronic devices must be off/silenced and put away from the time students enter campus until they leave at the end of the day. If a phone is out during the school day, it will be taken and returned at the end of the day. If this happens a second time, a parent will have to pick it up. Students who need to call home may use the front office pone.

We need your help to make sure your child **leaves all toys at home**. Besides being a distraction, toys are also are getting lost, traded, or taken.

Thank you for helping us keep students focused and minimize distractions!

We still need volunteers for both upcoming events. If you are able to, please consider volunteering.
