September 2026

Dear Parents/Guardians,

The Pennridge School District places a high value on its special subject areas (i.e., Art, Music, Library, STEM, Health and Physical Education, Instrumental lessons). These subjects are important to your child's developmental growth. Through their incorporation into your child's schedule, they help create well-rounded individuals. This letter is intended to inform you about the standard elementary specials schedule.

During the 2026-2027 school year, we will continue the use of a rotating 5-day special schedule. This means that your child's special subject area will not occur on the same day of the week throughout the year but will fluctuate according to a published 5-day schedule rotation. This schedule will ensure that subjects frequently missed on days when school is not in session will not be overlooked (i.e., holidays, in-service, and/or conference days

Please take a moment and look over this schedule. The first day of school will begin the five day cycle. Each teacher will communicate the 5-day special cycle schedule with parents and family members. Please note, the special that occurs on each day number remains the same for the entire school year. Please help your child and help us with making sure your child is dressed appropriately and/or amply prepared for his or her daily special (i.e., sneakers on gym day, etc.).

The attached calendar will not change. Days that are missed for adverse weather do not change the day cycle calendar. The day number that is missed from school will simply be skipped. If additional student days are added to the calendar, the building will communicate the day number for those specific days.

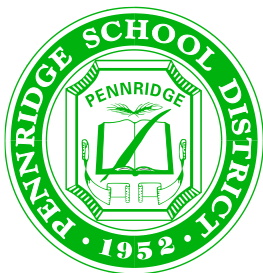

Sincerely,

Mr. Kenneth Ehrmann
Principal

Mission Statement

The Pennridge School District strives to provide all students with a well-rounded educational experience where they acquire the 21st century skills necessary for a successful future.
