The PowerSchool Parent Portal is an online platform that lets you track your child's grades, attendance, assignments, and school announcements in real time.

### How to Create an Account

1. **Get your credentials:** Contact your child's school or district office to get the unique **Access ID** and **Access Password** (or PIN) for each student.
2. **Open the portal page:** Go to your specific school district's PowerSchool web address (urls vary by district; check your local school website).
3. **Click "Create Account":** Select the **Create Account** tab on the sign-in page and click the blue button.
4. **Enter your details:** Fill in your first name, last name, email address, desired username, and a secure password.
5. **Link your students:** Scroll down to the "Link Students to Account" section. Enter each child's name, the unique Access ID, the Access Password, and your relationship to the student.
6. **Submit:** Click the **Enter** button at the bottom of the page, then log in with your new username and password.

### Main Features & Navigation

- **Grades and Attendance:** Opens automatically when you log in; shows current classes, teachers, scores, and daily attendance codes.
- **Grade History & Progress:** View past term grades and check detailed assignment breakdowns by clicking on specific course grades.
- **Email Notifications:** Set up automated alerts to receive regular updates about your student's grades and attendance directly to your email.
- **Teacher Comments:** Read specific feedback or notes left by teachers.
- **Account Preferences:** Update your personal login password, preferred language, or email address.
