

Ready, Set...Kindergarten!

Monster Munch

How to Play:

Play at home and/or at a friend's house

- Create a "monster" with a paper bag, construction paper, or use a stuffed animal and pretend it is a monster.
- Come up with a category for each monster.
(examples: Fruit Monster, Toy Monster, Clothing Monster)
- Walk around the house with your monster and pretend to eat ONLY items in the house that fall into that monster's category.

1

Language Extension:

Use full sentences

- "I'm a fruit monster, so I am going to eat that banana!"
- I'm a fruit monster so I cannot eat that toy!"
- "You're a toy monster, you can't eat that apple!"

2

Numeracy Extension: Math Concepts

- Count how many objects the monster "munched"

3

Early Learning Skills Connection:

Children Can...

- Learning category words
- categorizing/grouping items
- Pretend play
- Following directions
