

How to sign into apps with PLAY Card:

Paulding County Students

Username: PAUlunchnumber

Pin: 6 digit bday MMYYYY

APPS:

[Libby](#) (they need their PLAY card login only, no password) and choose Georgia Downloads Destination

The Palace Project now houses eRead Kids (they need their PLAY card username and 6 bday password MMYYYY for the PIN) (they have eBooks and audio books)

- a. Download the app or visit thepalaceproject.org
- b. Sign in and add West Georgia Regional Library
- c. To add eRead Kids Library click the Palace Project Icon in the top left corner
 - i. Click ADD LIBRARY
 - ii. Type in *eRead Kids - West Georgia Regional Library*
 - iii. Add Library
- d. You can now toggle back and forth between library platforms by clicking the Palace Project icon in the top left corner

[Hoopla](#) is more convoluted

Step 1: Click get started

2: Let's go

3: Choose West Georgia Regional Library System to link the login

4: Put in PLAY card username

5. THEN they register with their school email address and any password of their choosing then they are good to login anytime and the login is their email address moving forward for this app

[Mango Languages](#) (they can't sign in first....they have to click the SIGN UP at the bottom FIRST)

they signup with their school email address and password of their choosing, then link their library card info

[Kanopy](#) this link takes them directly to the one linked to our system and they click add a library card, then they enter their PLAY card username PAUlunchnumber and follow the rest of the steps
