# Work-Based Learning

**Richland One Office of Career & Technical Education**

September 2026

## *Lead Your Future!*

You don't have to wait until you graduate to start building your future–you can start right now! Leadership means believing in yourself, stepping up, helping others, and being willing to try new things. As you explore careers, discover what you enjoy, learn new skills, and don't be afraid to make mistakes. Every experience helps you grow. Your future is yours to create–dream big, take the first step, and lead the way!

**4 Tips to Be a Leader & Explore Careers:**

- Step Up and Get Involved
- Try Something New
- Review education costs and training
- Build Your Skills
- Believe in Yourself & Keep Learning

***Great leaders are always learning and growing.***

## Leadership Activities

Use the activities below to help students better understand their leadership styles:

Personality Test

Leader or Follower

Four Temperaments Quiz

## Leadership in Action
