### Buckeye Elementary Stop

For student safety, students must be picked up from this stop by a parent or authorized adult or be enrolled in an approved after-school program at the stop.

A staff member from the program will meet the bus to receive the student. Students may not leave the stop and walk home independently.

Driver-escorted crossings are provided only at locations where Transportation has determined they can be performed safely based on the specific conditions of the stop.

At those locations, the driver will escort approved students across the roadway
