On August 20st , Odessa College hosted TPRS students and families to meet and greet our families. Information, resources, and giveaways were provided by agencies and individuals that support your learning and goal of high school graduation as a teen parent and enrolled in school. We will continue our monthly meetings at Odessa College in the Wood Math and Science Bldg., RM 119 on September 24th and October 22nd. Please mark your calendars for this year’s meetings and we look forward to seeing you there! Door prizes to be given.

ECISD TEEN PARENTS ARE SUPERSTARS

Celebrating the TPRS Class of 2026!

***96% of TPRS Seniors Graduated**

***97% earned their College, Career, and Military Readiness (CCMR)**

***TPRS Seniors achieved an outstanding 91% year-end attendance rate**

100% of our Seniors were Wrangler Promised securing tuition for their first degree at Odessa College

45% of our 2026 class started college classes at OC this Fall, the remaining targeted to start in the Spring!

These accomplishments reflect the resilience, determination, and hard work of our student parents—and the power of a community committed to their success.

A Partnership That Changed Lives

Odessa College (OC) continued to be an incredible partner in preparing our seniors for life after high school. From financial aid assistance and campus tours to academic advising and course registration, OC ensured our students

felt confident and prepared for the transition to college.

One of the year's highlights was our second annual **Parents with Purpose** event. Before graduation, students met with advisors, built class schedules, explored campus resources, and made meaningful connections with the people who will continue supporting them throughout their college journey.

Thanks to the leadership of Wrangler Promise Director Ms. Mitchell and her dedicated team, 100% of our graduating seniors qualified for the Wrangler Promise Scholarship, covering tuition and fees toward an associate degree or certificate program.

Today, many of our graduates are already attending college classes, while others are preparing to begin this spring.

This is more than a partnership—it is an investment in families, futures, and generations to come.

That's impact. That's opportunity. That's excellence.

We wish you the best year yet!

Being a parent is part of your story—it doesn't define your future.

Our goal is simple: help you graduate, build a bright future for yourself and your child, and remind you that your dreams are still within reach.

We know balancing school, parenting, work, and life isn't always easy, but you don't have to do it alone. Our job is to support you, encourage you, and help you stay on track to graduate and reach your goals.

Whether you need someone to answer questions, connect you with resources, or simply cheer you on, we're here for you every step of the way. Through TPRS, you'll have access to caring staff, helpful programs, community resources, healthcare partners, colleges, and other opportunities designed to help you succeed.

Welcome to the TPRS family! We're excited to be part of your journey.
