Dear Parents,

We are enjoying our visit with Ms. F who is very fond of her fabulous, funny feet. She used them to frolic and walk fancy-free, leaving footprints all over the classroom! We had fun singing and dancing to Ms. F's song. Ms. F has inspired several discussions about our feelings and families. We learned that facial expressions offer clues as to how people feel. We talked about how families are different, family members have roles, and families love and care for each other. We had so much fun dressing up like one of our family members. I also loved seeing everyone's foot family. Next week we will continue learning about the letter F and the number 3.

We will have Show & Tell next week as we will continue to learn about the letter F. The kids did a great job sharing their objects this week. This is usually one of our favorite activities throughout the year! The kids love sharing items from home and it also encourages a lot of great communication and speaking skills!

REMINDERS:

- Please remove all work from the folders and initial the behavior calendar daily.
