

The Doggy Times
Friday, September 4, 2026

Dear Parents,

On Monday, we met another letter person. It was Ms. F, and she has funny feet! Mr. M was very excited to see her because they are very good friends.

Ms. F brings many fun and exciting activities. At center time, we played with farm animals, firefighters, fairies and floor puzzles. We used fishing poles to catch letters and numbers.

This week, we decorated our housekeeping center with our family pictures. We made frames and added foam flowers to make them even more fantastic! Our family picture frames will be displayed for the whole school year in our housekeeping center. The children really enjoy seeing their family pictures!

On Thursday, we celebrated "Fantastic Foot Day". We read *The Foot Book*, and we took our shoes off at center time. We painted our feet and made footprints for our Memory Books. It was so much fun!

On Friday, we dressed as our family members and shared our "Foot Family" projects with each other. Everyone did such a great job! The children were so adorable and very proud! Thank you to everyone for your cooperation with this project!

We will continue our study of the letter Ff next week. We are going to learn all about the life cycle of the frog. We will also transform our housekeeping center into a flower shop and work as florists! We can't wait!

Reminders:

Monday, September 7th - Labor Day Holiday/No school

Tuesday - Library Books due

Friday- Show and Tell- Something that begins with the letter Ff

After next week, a new letter person will visit us weekly. The children are doing a great job with letter recognition and sound association. They are enjoying our letter people and the curriculum very much!

Enjoy the long weekend!
Cathy and Libby
