

The Caterpillar Chronicles

Weekly Update: Sept. 7, 2026

Letter: Dd Number: 2
Color: blue Shape: square
Rhyme: Hey Diddle Diddle

Dear Parents,

Our focus this week will be on the letter Dd and our new rhyme. We will color, use Dot markers, cut, and Q Tip paint. Our crafts include dogs, ducks, dinosaurs, and our shape. We want to thank all that have been practicing with scissors at home. Plastic straws and thick paper are good options for practice too.

For snack this week it will be all D themed items, donuts, dog bones, Doritos and dino nuggets. We have so many fun things planned!

Have a great week,
Alex Pechon and Michelle Upton

****Just a heads up – We will have a Halloween Party on Friday, October 30th. Our class may wear a Halloween shirt and socks to school. Parents are encouraged to join us. It will start approximately at 11:00 and last an hour or so. We will have lunch together, sing for you, and make a craft.**

****Please note** PTCC Birthday Brunches throughout the year are for K-7th graders. Preschool does not participate in this event.**
