WELCOME

Dear EPiC Families,
Welcome to Kid's Zone! We are absolutely thrilled to welcome your child and your family to our before and after care program.
At Kid's Zone, we believe that the hours outside of the traditional school day are a wonderful opportunity for children to thrive. Our mission is to provide a safe, engaging, creative, and fun program where your child can truly shine. We design every day around activities that intentionally promote creativity and independence, giving our students the freedom to explore their unique talents, build meaningful friendships, and grow into confident individuals.
Whether they are starting their morning with an energizing activity or winding down the afternoon with a hands-on project, your child will be supported by staff that puts their safety, growth, and happiness first.
We look forward to an incredible year filled with laughter, discovery, and fun! Thank you for trusting us to be a part of your child's daily journey at EPiC.
Warmest regards,

Laura Mayfield
Site Manager EPiC Elementary
