Dear District Families, Staff, and Community Members:

The Roselle SD #12 Board of Education has begun the search process for the new superintendent who will begin working with the district for the 2027-2028 school year. We have selected Pezanoski Consulting to help us facilitate this very important process.

The Board of Education is extremely interested in your input about the characteristics that you would like the new superintendent to possess in order to lead our district effectively and successfully. We would greatly appreciate you taking a few minutes to complete our survey, as it provides the Board of Education with essential input.

(If you need the survey in another language, right-click anywhere on the page and select 'Translate'.)

We value your feedback, as the findings from the survey and input from the Board of Education and Staff/Administration Focus Group will be utilized to develop a New Superintendent Profile that will be shared with the Board of Education and used during the interview process.

The Roselle SD #12 Board of Education truly looks forward to your support and assistance with this important endeavor. If you have any questions pertaining to the search, please contact Consultant Cathie Pezanoski at cpezanoski@sd12.org.

We look forward to reviewing your input as we plan and search for the next superintendent to lead Roselle SD #12.

Sincerely,

Board of Education
Roselle SD #12
