Stanton Middle School
Capital Project Snapshot
Red Clay Consolidated School District
2023 Major Capital Improvement Program
Updated: May 27, 2026

Project Overview

Red Clay Consolidated School District is investing in critical building improvements at **Stanton Middle School** as part of the District's **Major Capital Improvement Program**
.
The project focuses on improving the **building envelope, accessibility, mechanical and electrical systems, plumbing, life safety, and learning environments** to ensure the school remains safe, functional, and supportive of modern educational programs.

Project Timeline

Phase	Status
Planning & Facility Assessment	Completed
Design Development	Completed
Bidding	Completed
Construction	Planned for Summer Work Window

Major System Improvements

Building Envelope
- Partial roof replacement (~32,000 sq ft)
- Skylight fall protection installation
- Masonry repointing
- Exterior door replacement (23 openings)

Fire Protection
- Fire sprinkler rework for space reconfigurations

Plumbing Systems
- Backflow preventer replacement with code-compliant unit
- Partial sanitary sewer replacement
- Partial domestic water pipe, valves & fittings replacement
- Water cooler replacement (2 each)
- Toilet room isolation valve installation

HVAC Systems
- Chiller unit replacement
- Classroom unit ventilator replacement
- Corridor fan coil/blower coil unit replacement
- Facilities/Nutrition offices HVAC replacement
- Food service HVAC replacement
- IT closet HVAC replacement
- HVAC pump replacement

Electrical Systems
- Generator and transfer switch replacement
- Partial panelboard replacement (11 each)
- Partial emergency & exit light replacement
- New fire detection for renovated spaces
- New lighting and power for renovated spaces

Learning Environment Improvements

Instructional Spaces

- Select interior door replacement (178 openings)
- Classroom shelving replacement
- Select classroom floor finish replacement

Cafetorium

- Audio system replacement
- Stage lighting system replacement

Accessibility Improvements

Improved Building Accessibility

- Toilet room reconfigurations
- Vestibule C103VV reconfiguration
- Nurses suite reconfiguration
- Corridor D102 stairlift installation
- Classroom door reconfiguration

Space Improvements

- Nurse's suite reconfiguration
- Locker room reconfiguration for classroom
- Rooms 109B & A127 reconfiguration
- Facilities office reconfiguration

Exterior Site Improvements

- Partial sanitary sewer replacement

Environmental Safety

Hazardous material abatement will be performed where necessary during construction to ensure safe working conditions and compliance with environmental regulations.

Why These Improvements Matter

These scopes will:

- ✓ Improve building reliability and infrastructure
- ✓ Enhance student and staff comfort
- ✓ Increase accessibility throughout the school
- ✓ Modernize instructional and support spaces
- ✓ Extend the life of the facility

District Commitment

Red Clay Consolidated School District remains committed to maintaining **safe, modern, and accessible learning environments for all students and staff.**
