

School-Parent Compact

J. H. House Elementary School

School Year: 2026 - 2027
Revised: April 28, 2026

Dear Parent/Guardian,

J. H. House Elementary School students participating in the Title I, Part A program, and their families, agree that this Compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement, as well as describes how the school and parents will build and develop a partnership that will help children achieve the State of Georgia's high standards.

The parents, students, and staff of J. H. House Elementary School worked together to develop this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual Revision Meetings held in the spring of each school year to review the Compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in workshop and meeting surveys throughout the year, which are used as tools to collect parent feedback regarding the current Title I programs and policies.
