Yuma Union High School District (YUHSD)
Employee Benefit Trust

Win/Win

The YUHSD pays thousands of dollars each year for the health care of their employees and families. As health care costs continue to rise, we all work to reduce these costs wherever we can. YUHSD has a program called: "Win / Win Program" that will help save the employees on health care expenses.

Who is Covered:
Any employee or dependent that is covered under the Yuma Union High School District Employee Benefit Trust (YUHSD) that has been referred by a physician for a medical procedure that is deemed medically necessary and is pre-certified. The procedure has to be eligible for an in-patient or out-patient procedure and scheduled at a location that is participating in the "Win/Win" program.

Anyone participating in the WIN/WIN program will receive the following reimbursements for both in and outpatient surgeries at the below listed WIN/WIN facilities. (subject to the guidelines on the following page)

Surgery's – You are eligible to be reimbursed your deductible plus the 20% coinsurance. The 20% portion is determined by the claims submitted and has maximum as noted in the SBC's.

The Plan will also reimburse you for travel. Plan will reimburse you; $500 for Testing ** / $750 for outpatient Surgeries and $1500 for inpatient procedures. ** see if your Testing qualifies prior to testing (colonoscopy's)

Note: Federal law requires that any person who receives this financial incentive receive IRS form 1099 in order to report the income on the annual tax returns for Federal & State. Your expenses for travel and accommodations may be claimed as a deduction on taxes, please consult your accountant for confirmation and additional information.

The above payment will be processed by Summit Administrators upon receipt of an approved itemized claim and proof of precertification. The incentive check will come after claims have processed and will be sent directly to the employee's address on record.

- Physician prescribed MRI, CT Scans, Bone Density (Dexa), Ultrasounds, X-Rays, Mammograms - that are done at preferred (Free Standing Locations) will be reimbursed at 100%. See "Free Standing Locations" page 5 below.

How Do I Start:

You can Call Steve - Yuma Insurance at (928)344-3500 and speak with Steve or his staff and they will help you start and answer any questions you may have. You may also call one of the exclusive hospitals or out-patient centers on the provided list and ask for a doctor referral. (See list for phone numbers)

Guidelines for the WIN/WIN program

Who is Covered:

Any employee or dependent that is covered under the Employee Benefit Trust that has been referred by a physician for a medical procedure that is deemed medically necessary and is pre-certified. The procedure has to be eligible for an in-patient or out-patient procedure and scheduled at a location that is participating in the "Win/Win" program.

How it works:

The Plan receives greater discounts through selected hospitals, surgery centers and medical facilities within the Phoenix & Tucson Metro areas. A list of exclusive locations is attached; you can select a desired location from the list. Please call the facility prior if you wish to have a guest accompany you on your stay to see if they have any limitations or restrictions on visitors, as well as if they are able to accommodate others overnight

The above payment will be processed by Summit Administrators upon receipt of an approved itemized claim and proof of precertification. The incentive check will come after claims have processed and will be sent directly to the employee's address on record

What services are excluded?

Surgeries related to Emergency services and surgeries / procedures that are periodic for the management and treatment of chronic disease.

Questions?

Please feel free to call Yuma Insurance with any questions or assistance needed at (928) 344-3500
