The Community

Hamshire-Fannett High School was consolidated in 1961. Hamshire and Fannett individually had established schools a hundred years before. We are a rural district located just off IH 10 about 15 miles west of Beaumont and 70 miles east of Houston. We serve the surrounding communities of Hamshire, Fannett, LaBelle, Cheek and part of Winnie. H-F is a school steeped in tradition and excellence. Many parents and grandparents attended this school and provide outstanding support to the school and students. Our students excel in academics, as well as athletics.

School Facts

Hamshire-Fannett High School is a public four-year secondary school with an enrollment of approximately 634 students in grades 9 - 12. The senior class has 150 students. The teaching faculty is composed of about 53 teachers. Hamshire-Fannett High School is accredited by the Texas Education Agency (TEA).

Last year's graduating class had 37 Magna Cum Laude and 28 Cum Laude graduates. Approximately 90 students in 11th and 12th grade earned college credits through dual credit courses. 98% of the C/O 2026 met state of Texas standards for college, career, military, preparedness. The school day consists of 8 class periods of approximately 50 minutes each. The school year is divided into two semesters with three six-week grading periods each semester.

CEEB Code: 443100

Grading Scales

GPA reported on transcripts is reported on a 4.0 scale where A (100-90)=4.0, B (89-80)=3.0, C (79-75)=2.0, and D (74-70)=1.0.

Class rank is based on a weighted cumulative grade point average for grades 9-12. The grade point average (GPA) is determined by dividing the total number of grade points by the total number of credits attempted. A full year, one period course consists of two semesters and is equal to one credit. A one semester course is equal to one-half credit. In order to graduate Magna Cum Laude, a student must have at least a 4.0 weighted GPA. To graduate Cum Laude, a student must have at least a 3.6 weighted GPA. (See scale next page for the weighted GPA scale.)

Results of STAAR 2026

All Subjects	92%
English 1	84%
English 2	85%
Algebra I	91%
Biology	100%
US History	98%

Completion Rate

(Class of 2026- State Accountability) 100%

GRADUATION REQUIREMENTS

The State of Texas Assessments of Academic Readiness (STAAR) is an exit level examination that must be passed by students graduating, prior to receiving a Texas high school diploma. Additionally, an H-F 12th Grade student must complete the following academic requirements:

	Foundation	with Endorsement	Distinguished
English/Lang. Arts	4		
Mathematics	3	1 (Alg 2)	
Science	3	1	
Social Studies	2.5		
Economics	0.5		
Found. Of Bus. Mgt.	1		
Physical Education	1		
Health Education	0.5		
Foreign Language	2		
Fine Arts	1		
Speech	0.5		
Electives	3	2	
Total Program	22	26	26

Students must have 19 or more credits at the beginning of the school year to be classified as a senior.

HONORS COURSES AVAILABLE

World History
