Dear Luther Families,

We began our school year with great enthusiasm, and we hope the first few weeks have been enjoyable and productive for all of our students and families. Back-to-School Night was a wonderful success, and it was truly a pleasure to see so many Luther families on campus. Thank you for taking the time to connect with our staff and learn more about your child's school experience.

Keeping Our School Community Safe

As we settle into the school year, we would like to remind everyone about the importance of driving safely and cautiously around our school and surrounding neighborhoods. We sincerely appreciate all of the adults who bring children to school each morning and pick them up each afternoon while consistently keeping the safety of all our students in mind. The safety and well-being of our students, families, and staff is always a top priority. Thank you for helping us create a safe environment for everyone in our school community.

PBIS: Kindness and Respect

We held our first PBIS (Positive Behavioral Interventions and Supports) assembly in August, and it was wonderful to see so many parent volunteers supporting our students. This year, our school-wide focus is teaching students to be "Kind and Respectful." We encourage families to reinforce this message at home by reminding your child each day about the importance of being friendly, helpful, caring, kind, and respectful toward all students and adults—even when no one is watching. The small choices we make each day can have a lasting impact on those around us. Thank you for partnering with us as we help our students develop positive character traits and build a caring, respectful school community.

Thank You to Our Families

I would also like to sincerely thank the many Luther families who consistently demonstrate kindness, patience, and respect toward our staff and school community. Your positive communication, support, and willingness to work together make a meaningful difference in the success of our school. Thank you for modeling the kindness, compassion, and respect that we hope to see in our students. Most importantly, let us remember: Our children are watching us. The example we set today helps shape the adults they will become tomorrow. By working together, we can make our school a safe, welcoming, and positive place for everyone. The staff and I look forward to another amazing, successful, and productive school year with our students and families. Thank you for your continued partnership and support!

Sincerely,

Helen Chung

Principal
