

# GRIT STARTS HERE

## ADVENTURE. GRIT. GROWTH.

That's what kids grades K-5th Grade get when they become a Scout in Scouting America.

It's a journey that means long-lasting positive change for individuals, the community and the world. Here, kids grow in resilience & perseverance and GRIT while learning life-long skills in a safe, positive program, first-class summer camps & more.

## Meet Your Local Scouts!

### Cub Scout Pack 260 Hillsboro Open House!
