Academy ISD's MOBILE APP has Launched!

Our new mobile app includes news, calendars, important links, and more so you can stay in the know while on the go.

Parents and guardians can also have real-time chats with teachers directly in the app or from a computer by going to www.academyisd.net/fs/chat and logging in.

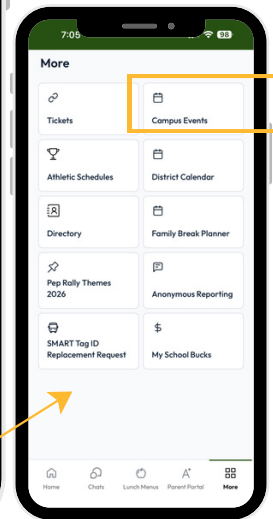

How to download the app:
Search "**Academy ISD**" in the App Store or Google Play and download the app.

Community members choose the "**continue without login**" option.

Who can get the Academy ISD mobile app? **Anyone!**

Who can sign in for Chats? **Parents & Guardians!**

Main Page Displays District Events

Parents... Need help with the **CHATS** feature?

Only a parent or guardian may login to access Chats.

The parent's account is tied to the **email address** used for Parent Portal (where parents go to complete online registration and to check their child's attendance & grades).

I installed the app when the information was emailed to parents/guardians, but I still can't get in to Chats.

Try deleting the app and reinstalling it.

Did that work?

Yes!

Great! Join with the class QR code or have the teacher add you in!

No!

We are sorry about that! Let's look at a few things.

Sometimes names may be different: A maiden name may still be on the list or your middle name is on one child's account, but not the other...

Other times, it may be the difference of your legal name and a shortened name. For example, Susan may be listed on one account and Susie on another.

Phone numbers that are shared among spouses. The system does not understand duplicate or shared phone numbers or email addresses. Each must be unique.

Missing, duplicate (such as, spouses sharing one email address), or incomplete email addresses will cause an error.

What could be the issue?

Sign into **Parent Portal** (student grade check/attendance), go to **Contacts** and check that your name, phone number, and email address are correct for all children.

I have checked my account. I still need help!

We are here to help! Please email aisdcommunications@academyisd.net with your name and your children's names and grade levels.

AROUND THE HIVE

Mr. Fagner's Art students showcase their creativity and artistic talents.

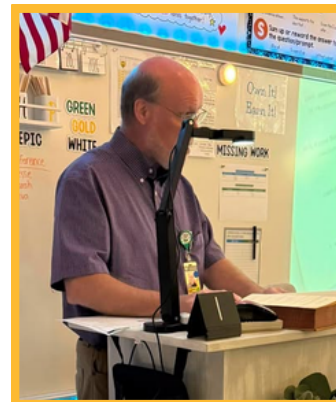

Welcome to the Academy High School National Honor Society!
Congratulations to these students for their dedication to their academics.

18 AHS seniors completed BLS training and are officially one step closer to becoming future lifesavers!

AIS students work on identifying prime vs. composite numbers, and AIS Instructional Assistant, Mr. Howell, spent time teaching Mrs. Hutson's students about an encyclopedia from the 1880s. They have been using Britannica School website for research and this was a great way to highlight the progression from the hardcover version to the online website.

AMS Volleyball season is well underway and are gearing up for two tournaments this month!

AROUND THE HIVE

Whether they are wearing their green and gold or they are in the theme of the week, our Bees have brought the Bumblebee spirit to the pep rallies this year!

Coach Robinson was a good sport for a good cause as he and Coach Boyer went head-to-head in a friendly competition benefitting the Academy Athletic Booster Club.

Morning meetings get students off on a great start in Mrs. Pannell's class! Recess is the best with sunshine and friends. Coach Holt teaches our youngest Bees in P.E. while Mrs. Peterson's class works hard counting by 5's!
