MCAS Family Portal Quick Start

Getting Started: First-Time Users

Enter the **registration code** and **date of birth.**

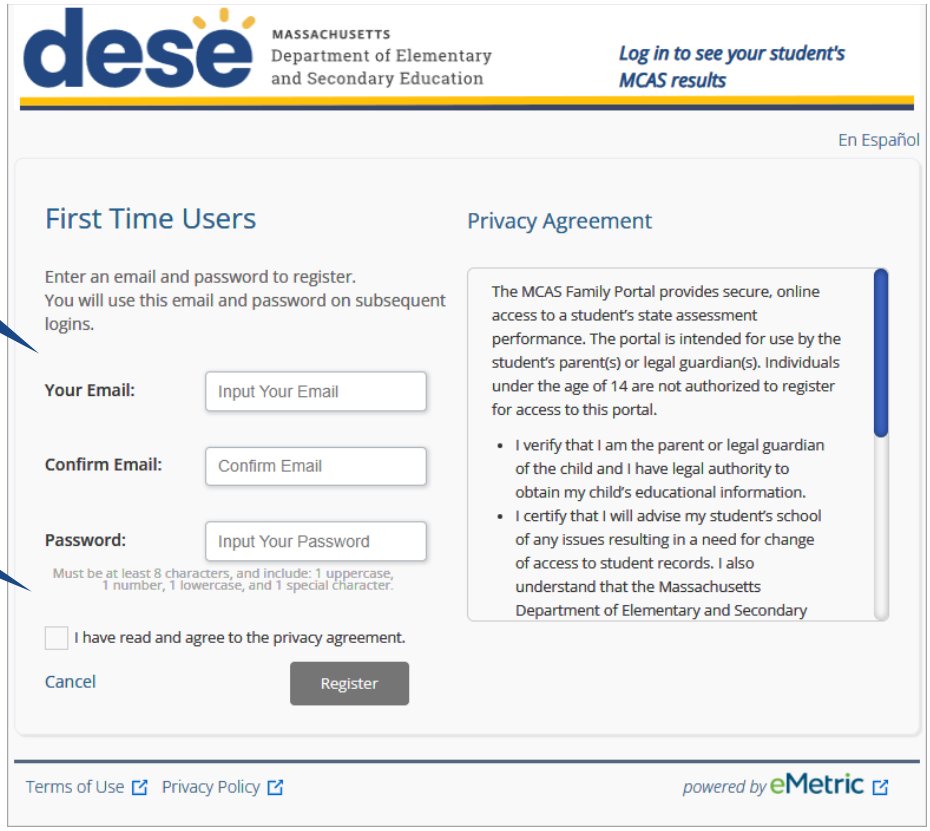

The registration code is found on the letter from your school district.

Create an account using your email address and password.

Read the privacy agreement. Check the box and click **Register**.

See the Family Portal Help Guide for information on
- adding students to your account;
- seeing students' MCAS results; and
- resetting your password.
