It is important to note that there is **NO After Care** provided for siblings. Only students enrolled in the ASA program are permitted to remain on campus. It is also important to be on time for pick-up immediately following your child's activity.

We'd like to remind our GWA ASA families of the following:

The process for ASA Registration:

- 1) Choose your child's activity/activities.
- 2) Stop by the ASA office and register your son/daughter for their activity/activities
- 3) Make payment for ASA fees

ASA can not issue activity refunds after three weeks from the program's start. After the three weeks, families withdrawing from activities will receive ASA credit they can use to enroll in other activities (space permitting) throughout the remainder of the academic school year.

Families must complete the ASA Registration Process before their child can attend activities.

Please note: If the minimum number of students is not reached for certain activities, they may be postponed or cancelled.
