Wednesday, June 16, 2027	3:30 PM	5:00 PM	Parker School

The Mount Vernon City School District, in partnership with Feeding Westchester and the Junior League of Bronxville, is bringing back the Mobile Feeding Pantry to our community on the dates and times above.

All MVCSD families are welcome to stop by and receive fresh, nutritious food at no cost and no judgment. If your family could use a little extra support, please come out; this pantry exists for you.

We also invite MVCSD staff to lend a hand. Volunteers are needed to help distribute food to families and keep the day running smoothly. It's a wonderful way to give back to our students and families who make our district community strong. If you're able to volunteer, please reach out to SSolomon@mtvernoncsd.org to sign up.

*Together, we're making sure no MVCSD family goes without.
We hope to see you there.*
