

Graduation Data Class of 2026

***Sayreville Board of Education Presentation
September 22, 2026***

NJDOE Requirement for Reporting

By September 30th, Local Education Agencies must now report graduation rate data relevant to the following at a public BOE meeting:

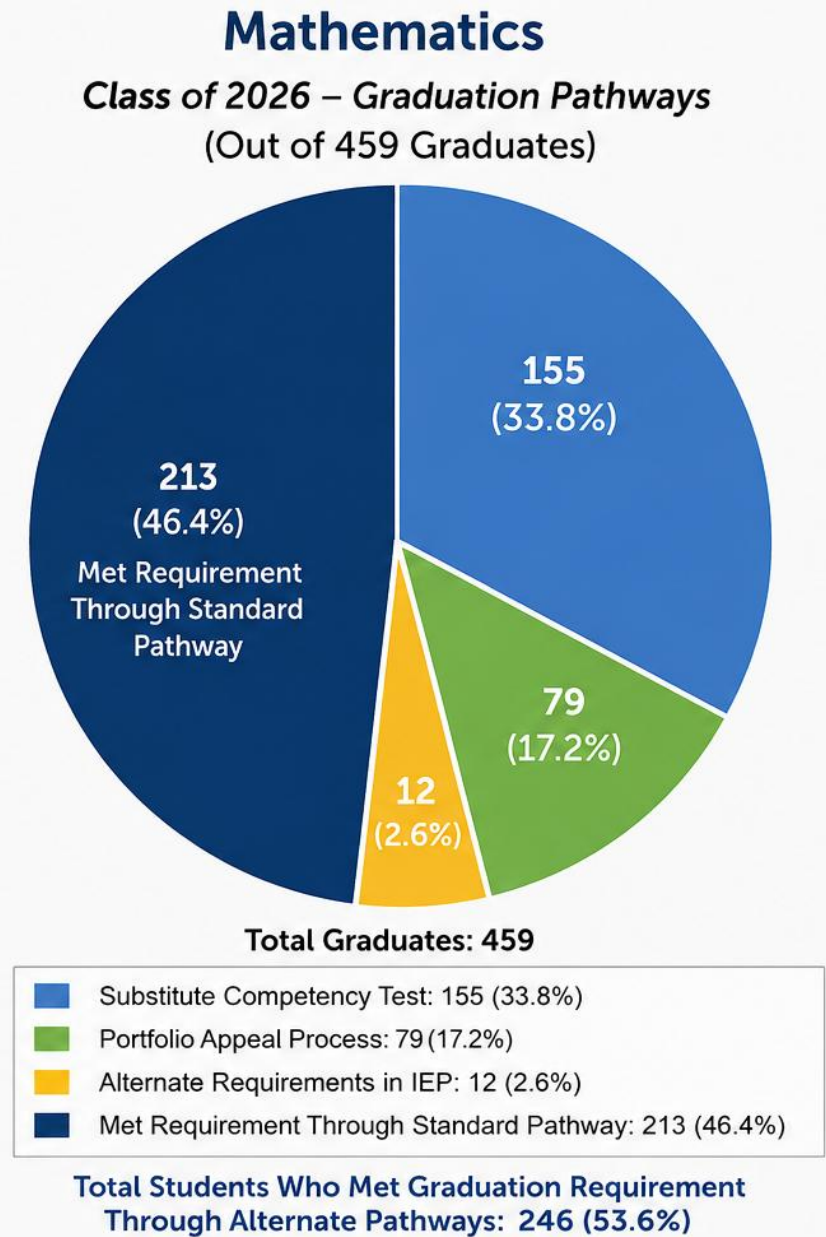

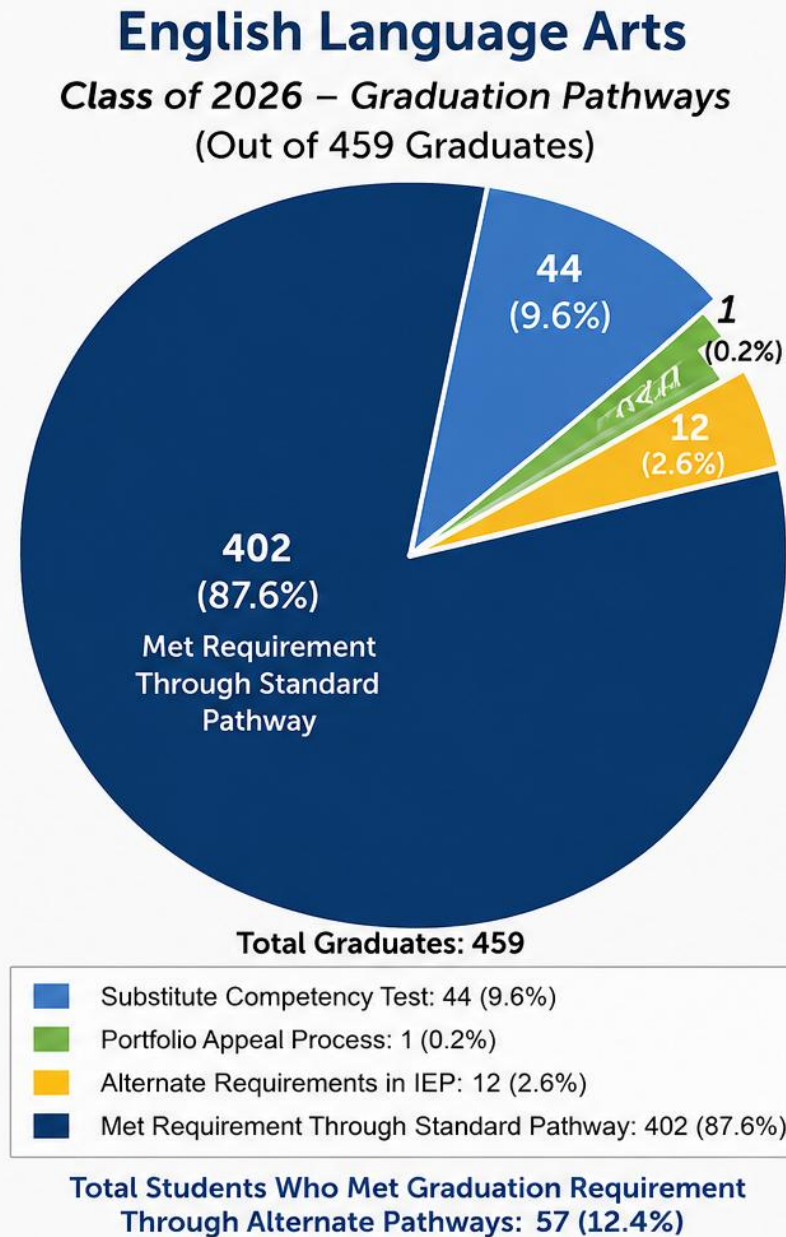

- Number of students who graduated (earned the diploma)
- Number of students who met graduation requirements through standard pathway (NJGPA), alternate pathway as per IEP, secondary pathway tests, and through portfolio appeals process.
- Number of students denied graduation

Class of 2026

In 2026, five seniors were denied graduation. None of the five were denied due to not meeting the graduation testing requirement.

Likely scenarios:

- Loss of credit due to absence
- Loss of credit due to failing a course
- Not completing credit recovery

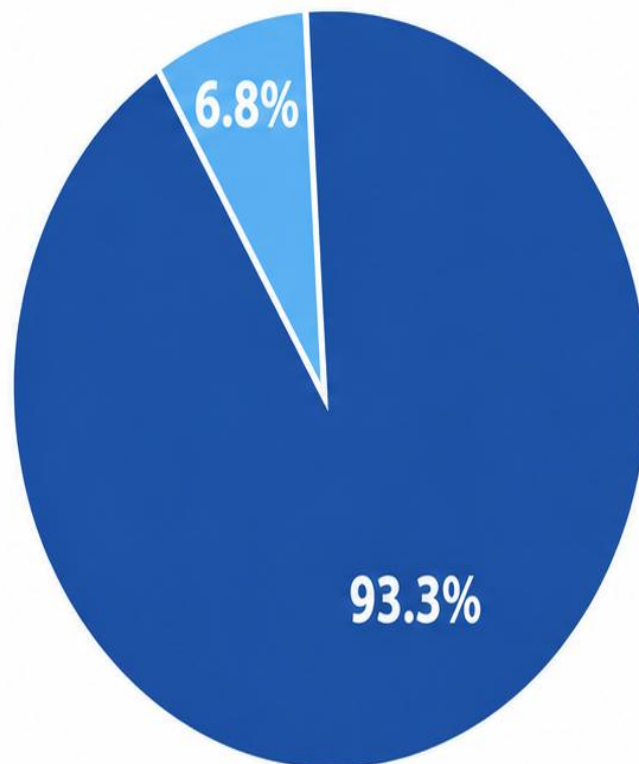

Class of 2025 Data*

427 graduated

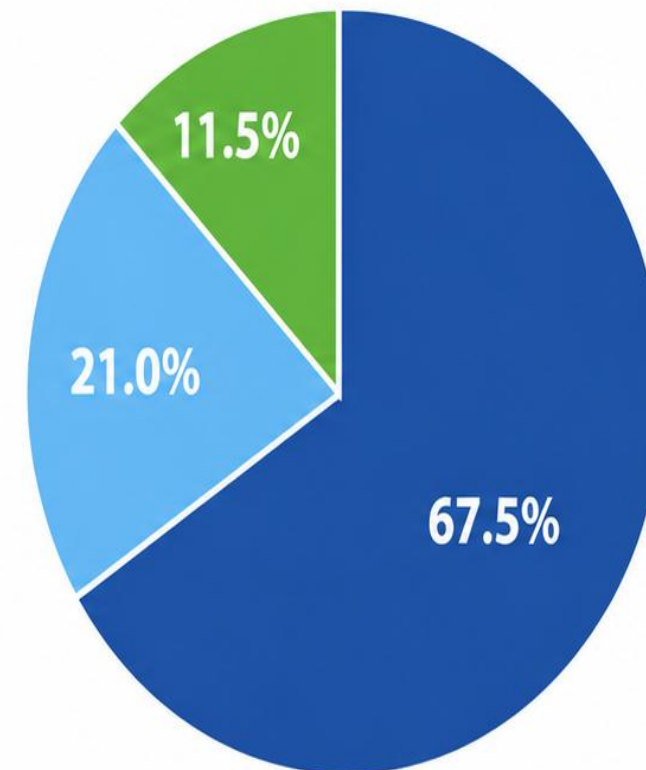

**as reported in NJDOE School Performance Report. Some data not available due to state transition to NJSLEDS from NJSMART*
