

COMMUNITY ENGAGEMENT SESSION

CEMETERY MARKER DESIGN

We are excited to kick off the next phase of the Sugar Land 95 Memorial Project: Cemetery Marker Design.

Join us as we continue our efforts to honor the lives and legacies of the Sugar Land 95 and support the development of a memorial that ensures their stories are remembered for generations to come.

WHAT TO EXPECT

The engagement session will provide an opportunity to learn more about the SugarLand95 Memorial Project, hear project updates, and engage in meaningful dialogue about how we preserve this important history for future generations.

The Memorial Project seeks to ensure that the stories and lives of the Sugar Land 95 are remembered with dignity, respect, and historical accuracy. Community voices continue to play a vital role in shaping this work, and we welcome your participation.
