Launch Your Teaching Career with the Georgia TAPP Program at Griffin RESA

Earn your Georgia teaching certification while working full-time in the classroom.

The Georgia Teacher Academy for Preparation and Pedagogy (TAPP) at Griffin RESA is an alternative certification program designed for individuals who already hold a bachelor's degree and are ready to transition into a rewarding career in education—without returning to college full-time.

The Griffin RESA TAPP Program Offers:

- A pathway to full Georgia teacher certification
- High-quality training in all aspects of effective teaching
- Personalized coaching and mentoring from experienced educators
