Dear Parent or Guardian:

We are pleased to inform you that Bertie County Schools will be continuing the new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for School Year 2026-2027.

What does this mean for you and your children attending Bertie County Schools?

Great news for you and your students! All enrolled students of Bertie County Schools are eligible to receive a healthy breakfast and lunch at school at no charge to your household each day of the 2026-2027 school year. No further action is required of you. Your child/children will be able to participate in these meal programs without having to pay a fee or submit a meal application.

If I can be of any further assistance, please contact me at (252) 794-6038.

Sincerely,
Tiwana Smallwood
