Denton Elementary School is committed to providing a positive, inclusive, and engaging learning environment where every student can experience success. The school values individual growth and supports students academically and socially-emotionally, while encouraging curiosity, creativity, critical thinking, and a growth mindset.

Students are encouraged to “F.I.R.E. Up!” by demonstrating Focus, Inclusion, Respect, and Excellence. Denton promotes care, kindness, responsibility, and acceptance so that students feel valued and connected to their school community.

In addition to its core academic programs, Denton offers advanced learning opportunities such as Reading Revolution, Poetry and Prose, and Science Olympiad. Students can also develop and showcase their creativity through visual and performing arts activities. Denton recognizes families as essential partners and encourages their involvement in each child’s education and success.
