53,400 SF

Site Acreage

16.77 (shared with Transportation)

Sequoia High School provides a caring and supportive environment where students have the opportunity for a fresh start. Through small class sizes, personalized academic guidance, and social-emotional support, Sequoia helps students overcome challenges, make meaningful progress, and prepare for future success.

As a continuation high school, Sequoia offers accelerated credit recovery, Individual Learning Plans, and regular progress monitoring to help students establish a path toward graduation. Students also have access to counseling, after-school academic assistance, year-round athletics, technology resources, and college and career preparation.

Sequoia encourages students to live Sequoia STRONG, recognize their potential, and become positive leaders in a diverse world. Families are valued partners and are encouraged to support regular attendance, monitor academic progress, and help students work toward graduation and their postsecondary goals.
