- **high college entrance exam scores: SAT Total Score of 1200 or above or ACT Composite score of 26 or above**
- **participation in available advanced courses**
- **commitment to learning**
- **intellectual curiosity**

•Unmet financial need: We will consider applicants with family income up to \$95,000. Last year's cohort of new college scholarship recipients had a median family income of approximately \$26,000.

•Persistence: Determination and perseverance in the face of challenges, ability to set and remain focused on goals and to put in the effort needed to meet those goals in the face of obstacles.

•Leadership: Ability to organize and positively influence others in school and out-of-school areas (family, religious community, sports, arts, etc.).

•Service to Others: Purposeful and meaningful commitment to others which may be evidenced by participation in volunteer/community service activities.

SMART Scholarship for Service -

The Science, Mathematics And Research for Transformation (SMART) Scholarship for Service program is an opportunity for students pursuing an undergraduate or graduate degree in Science, Technology, Engineering, and Mathematics (STEM) disciplines to receive a full scholarship and be employed as a civilian in a Department of Defense (DoD) lab or facility upon degree completion.

The program aims to increase the number of civilian scientists and engineers working at DoD laboratories. Current college undergraduates and graduate students in one of [21 eligible STEM fields](#) are invited to apply.
