Conference Period: 12:50 – 1:40

Grade Level Resources:

- Zearn
- ST Math
- Bluebonnet Math
- Amplify Reading, Phonics, and Writing
- SAAVAS Science
- MAP Math Assessment
- mClass Reading Assessment

Access to Zearn and, ST Math is available to students through our [Single Sign-on Portal \(SSO\)](#).

Grade Level Goals:

Students who complete this course successfully will be able to read and comprehend grade level text and use an increasingly flexible range of strategies. In reading, students will be able to demonstrate phonemic awareness, print awareness, phonics, listening comprehension and speaking. In writing, students will be able to write with increasing phonetic spelling knowledge, sentence structure, and conventions. In math, students will be able to represent numbers up to 120, count forward and backwards from a given number, add and subtract, and solve story problems. In science, students will be able to actively participate in planning and conducting investigations, make predictions, justify, explain, and draw conclusions based on data. In social studies, students will be able to describe the significance of historical figures, holidays, patriotic symbols, authority figures, and will identify the characteristics of a good citizen and the need for rules and laws.

Student Evaluation:

The grading system for grade level (K-1) is as follows:

- Standards based report card, based on mastery of standards (TEKS) assessed/observed by teacher.
- Students will get feedback on report card in the core content areas of Math, ELAR, Science, and Social Studies. The reporting categories are as follows:

Category	Description
3	Meets standard
2	Approaching standard
1	Area of concern

Assignments, exams, expectations outside of the classroom:

Students are expected to participate and engage each day through both teacher-guided and student-driven learning time.

Attendance/Tardy Policy/Make-Up Work:

Students are to be present 95% of the required school days to receive credit. The official time to take attendance is 10:00 am to comply with TEA guidelines. Students are expected to be seated in their classroom at 7:25am.

Classroom Expectations:

Be respectful of your peers, follow classroom rules and expectations, and have school supplies and materials ready.

Academic Integrity:

Academic integrity values the work of individuals regardless of if it is another student's work, a researcher, or author. The pursuit of learning requires each student to be responsible for his or her academic work. Academic dishonesty is not tolerated in our schools. Academic dishonesty includes cheating, copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or other supervising professional employee and considers written materials, observation, or information from students. Students found to have engaged in academic dishonesty shall be subject to disciplinary and/or academic penalties. The teacher and campus administrator shall jointly determine such action.
