EXTRA MILE AWARD

Please join us in congratulating the Extra Mile Award winner for September, Henderson Middle School Data Clerk, Mrs. Amy Matthews. Working in one of the busiest school offices in the county, she manages countless responsibilities with remarkable organization, patience, and professionalism. Amy's attention to detail is phenomenal. She understands the importance of accurate information and takes great pride in ensuring that every task is completed correctly and thoroughly. Even more importantly, she willingly shares that knowledge with others, patiently helping her coworkers learn and navigate the system more effectively. What truly sets Amy apart is the way she treats people. She greets parents, students, and teachers with courtesy, compassion, and respect. No matter how busy the office becomes or how many demands are placed on her, Amy always seems to have a smile on her face and is ready to help. Amy doesn't simply go the extra mile—she makes the extra mile look effortless.
