Early College Programs

at North and Torrance High Schools

- Do you want to get a jumpstart on your college coursework?
- Do you want to save money on college classes and books—before you even get there?
- Do you want to complete the Seal of Biliteracy before the start of your Sophomore year?
- Do you want to take great classes such as Film Appreciation or Strategies for Creating Success in College, Work & Life?

In partnership with El Camino College, the Early College programs at North and Torrance High Schools give students the chance to experience all of these opportunities. Students simultaneously complete high school graduation requirements and transferable college-level general education courses while still a high school student, all for free!

Join us for a virtual 8th-grade parent information session about the Early College Program on:

Tuesday, Dec. 2, 2025 at 6:00 p.m.

Zoom Meeting Link

The meeting will be recorded for those who cannot attend, and the recording will be posted on tusd.org
