The Tortoise and the Hare: Next Gen:

A modern twist on Aesop's classic fable! Ten years later, Tortoise and Hare are parents navigating a world filled with smartphones, video games, and digital distractions. When their children, Tortoise Junior and Lil' Hare, race off into unexpected danger, the longtime rivals must work together to bring them home. (Grades 1-4)

A Midsummer Night's Dream:

Experience Shakespeare's beloved comedy as young lovers, mischievous fairies, and aspiring actors cross paths in a magical forest outside Athens. Enchantments, mistaken identities, and hilarious mix-ups lead to an unforgettable adventure filled with laughter and romance. (Grades 7-12)

Ocean Blue: Dive into a spectacular underwater adventure with Charlie the Crab! After being swept away from home, Charlie embarks on an epic journey through the Atlantic, Arctic, and Pacific Oceans, encountering fascinating sea creatures and discovering the power of courage, kindness, and friendship. (Grades k-5)

Ada Twist, Scientist & Friends (Grades K-4): Ms. Greer's classroom includes three inquisitive out-of-the-box thinkers. Rosie Revere has big dreams. Iggy Peck has a relentless passion for architecture. And Ada Twist's curiosity can lead her to solve any problem.

Mr. C- Science in Motion:

Pendulum swings, inertia hammers, and hovercrafts! Full STEAM Ahead! The World in Motion invites attendees to continue singing, moving, and learning to the tune of science and focuses on the Laws of Motion! (Grades 3-8)

The Magic School Bus: Lost in the Solar System

: Blast off on an out-of-this-world adventure with Ms. Frizzle and her class! When a simple trip to the planetarium goes off course, the Magic School Bus launches into space for an unforgettable journey through the solar system. (grades k-5)

Bill Blagg: Magic in Motion

: Discover the exciting connection between magic and science in this high-energy theatrical performance! Bill Blagg combines astonishing illusions with physical science concepts to create an unforgettable educational experience. (Grades 3-6)

The Boy Who Cried Wolf:

This engaging retelling of the classic fable follows Silas, a young shepherd who becomes bored and lonely while watching his family's sheep. Seeking attention, he repeatedly cries, "Wolf!"-but soon learns an important lesson about honesty and trust. (grades k-5)
