Frequently Asked Questions

What is a School-Based Health Center?

A School-Based Heath Center (SBHC) is similar to a doctor's office setting, but inside the school. A SBHC offers an integrated team-based care approach centered on the whole person with medical, behavioral health, and referral services to ensure each child's needs are met. The Winton Woods SBHC is staffed with a nurse practitioner, behavioral health provider, and dental staff during school hours throughout the school year. This provides an easy way for children to get healthcare who may not have access to any, and it is a convenient option for parents to get their child checked without having to leave work. These services are offered through The HealthCare Connection in partnership with Winton Woods Schools.

Who can be seen at a SBHC?

Any student of the Winton Woods School District that has signed a consent form, as well as staff, family members and community members. We see patients from birth to end of life. Consent forms are on the Winton Woods website within Final Forms.

What services are provided at the SBHC?

A SBHC offers a variety of services including primary care, sports physicals, yearly child well exams, vaccines, dental services, vision services by appointment, behavioral health services, referrals to other medical providers, and more.

What insurance is accepted at the SBHC?

The Winton Woods SBHC accepts Medicaid, Medicare, and commercial insurance plans. Insurances include: Aetna, Aetna Better Health of Ohio/OhioRISE, Ambetter from Buckeye Health Plan (Marketplace), Amerihealth Caritas, Anthem BCBS Medicare & Commercial, Anthem BCBS- Medicaid, Buckeye Health Plan (Medicaid Ohio), Buckeye Health Plan (Medicare Advantage), CareSource, Cigna, Cigna Dental, Delta Dental, Dentaquest/Dental Care Plus, DenteMax, Envolve Dental, Evernorth, Guardian Dental, Humana Behavioral Health, Humana ChoiceCare Network - THC, Humana Healthy Horizons in Ohio - THC, Liberty Dental, Medicaid Ohio, Medical Mutual of Ohio, Metlife, Molina Healthcare of Ohio, Molina Healthcare of Ohio Dental, Optum, Superior Dental Care, and United Healthcare.
