Conference Period: 11:50-12:40 pm

Grade Level Resources:

- Amplify Skills
- Amplify Knowledge
- Savvas Science
- Bluebonnet Math

Access to these programs are available to students through our [Single Sign-on Portal \(SSO\)](#).

Grade Level Goals:

Students who complete this course successfully will be able to:

Each student will grow one year every year.

Student Evaluation:

The grading system for grade level (K – 5) is as follows:

- Students will take BOY, MOY, and EOY assessments on Mclass for reading and MAP for math.
- Progress monitoring of reading and math skills will be implemented throughout the Units and Modules.

- Grades recorded should be reflective of a student's mastery of the TEKS taught during that grading period.
- Official grades will be in Skyward only and can be accessed through Family Access.

Assignments, exams, expectations outside of the classroom:

Students are encouraged to do reading and math practice with any Amplify and Bluebonnet activities sent home.

Attendance/Tardy Policy/Make-Up Work:

Attendance will be taken according to the District Guidelines.

Classroom Expectations:

Students should arrive on time daily with needed supplies. Students will follow all C.H.A.M.P.S expectations, and show respect towards their classmates and teachers. They will receive a folder that will go home each day. This will allow us to communicate any behavior issues and any school work. Please review this with your child each night and send the folder back to school with your student. Grades are accessible through Family Access.

Cellphone policy:

Please read and make sure you and your student understand the policy for [smartphones and smartwatches](#). Students will be expected to have all devices off and put away in backpacks.
