Our School

Baldwin High School provides a comprehensive curriculum to prepare students in grades 9-12 for post-secondary education and career readiness. Our high school offers an innovative four-year Career Academy program in STEAM, Global Business and Entrepreneurship, Government and Law, Fine and Performing Arts, Education, News, Film and Media and Medical and Health Sciences as well as a model school-to-career program that includes shadow experiences, senior internships, and mentoring opportunities. There is an open-enrollment policy for Advanced Placement courses in 26 subjects and a rich menu of sports and clubs. We pride ourselves on maintaining an inviting and inclusive atmosphere in which our dedicated staff works with our students to help them succeed at their highest levels.

The Community

The Baldwin Union Free School District (UFSD) is an award-winning K-12 public school district located on Long Island in Baldwin, NY. With a total enrollment of approximately 4300, the district consists of Baldwin High School, Baldwin High School@Shubert, Baldwin Middle School, and the five elementary schools, Brookside, Lenox, Meadow, Plaza, and Steele. Baldwin UFSD has received recognition for its innovative and rigorous academic programs, numerous partnerships, and redesigned classrooms, and prides itself on helping students become college-, career-, and life-ready. Some of the district's offerings comprise school-to-career programs, such as the Academic Academies, a community college partnership, AP courses, as well as nationally recognized arts and athletics. The district's graduation rate is currently 99%. Baldwin UFSD follows its motto: "We are innovative! We are inclusive! We are involved! We are Baldwin!"

Our Mission

The mission of the Baldwin Union Free School District is to support students' academic, social, and moral growth to foster a lifelong commitment to learning, and to encourage responsible contributions to society. A partnership reflecting the high standards of supportive families, conscientious learners, committed staff, and an involved community will maximize potential for student success.

Enrollment

Total school enrollment (Grades 9-12) – 1453 students Class of 2026– 350 students

Accreditation

Baldwin High School is accredited by the New York State Board of Regents.

Graduation Requirements

Students are required to earn at least 22 credits and pass five New York State Regents examinations to graduate with a Regents Diploma. To earn a Regents diploma with Advanced Designation, students must pass eight Regents examinations. Credit requirements are outlined below:

English	4 credits
Social Studies	4 credits
Science	3 credits
Mathematics	3 credits
World Languages	1 credit
Art or Music	1 credit
Physical Education	2 credits
Health	½ credit
Electives	3 ½ credits

Typical BHS students surpass these requirements.

Class Rank

Baldwin High School determines class rank using courses taken in grades 9–11. Physical Education and all Pass/Fail courses are excluded from the calculation. Student class ranking includes their weighted course averages as outlined below.

Course Weighting

Baldwin High School Transcript grades are weighted with the following quality points:

Advanced Placement	.1
Dual Enrollment and "H" Level Courses	.01
All Other Courses	Unweighted

Lowest Numerical Equivalent

A	B	C	D
90	80	70	65

Passing: 65

Honors and Awards

2026 National Merit Scholarship Program Commended Student
2025 AP School Honor Roll: Silver
2024 AP School Honor Roll: Silver
2023 National Merit Scholarship Program Commended Students
2023 National Merit Scholarship Program Semi-Finalist
2023 National African American Recognition Program
2023 National Hispanic Recognition Program

Our students have demonstrated success in a school that prides itself on the rigor of its academic program. It is hoped that colleges recognize the strength of our curriculum and the quality of our graduates.

Graduation Rate

The Class of 2026 consisted of 350 students with a 99% graduation rate. 97% of graduates earned at least a Regents Diploma and 50% earned a Regents Diploma with Advanced Designation.

BALDWIN UFSD SPECIAL PROGRAMS AND OPPORTUNITIES

Baldwin Union Free School District (UFSD) is an award-winning K-12 public school district located on Long Island in Baldwin, New York. With a total enrollment of approximately 4300, the district consists of Baldwin High School, Baldwin High School@Shubert, Baldwin Middle School, and the five elementary schools, Brookside, Lenox, Meadow, Plaza, and Steele. Baldwin UFSD has received recognition for its innovative and rigorous academic programs, numerous partnerships, and redesigned classrooms, and prides itself on helping students become college-, career-, and life-ready. Some of the district's offerings comprise school-to-career programs, such as the Academic Academies, a community college partnership, AP courses, as well as nationally recognized arts and athletics.

Academic Academies: Baldwin Union Free School District is the only school district in New York State that offers a wide array of Academic Academies, beginning in grade 8 and continuing through grade 12. The Academic Academies take learning to an entirely new level by immersing students into a specific area of study. Education and learning occur in a technology rich, small school environment, where our students work alongside professionals within a given field. Baldwin Senior High School currently offers seven different academy choices including STEAM, Global Business and Entrepreneurship, Government and Law, Fine and Performing Arts, Education, News, Film and Media, and Medical and Health Sciences.

School to Career Partnerships: For more than 20 years, Baldwin School District has built robust school-to-career partnerships, many of which open their doors only to Baldwin students. School-to-career activities include shadow days, internships, work experience, mentoring, career fairs, leadership summits, and competitions. Partners include Adelphi University, Citicorp, FedEx, Hofstra University, Jack and Jill of America, Jones Beach State Park, Junior Achievement, Long Island STEM Hub, Northrop Grumman, Northwell Hospitals, Mercy Medical Center, Molloy University, National Grid, NYIT, Republic Airport, South Nassau Communities Hospital, State Farm Insurance, and SUNY Stony Brook.

Nassau Community College Partnership: Nassau Community College (NCC) Partnership with Baldwin High School is an innovative collaboration. Nassau Community College's Enrichment Program is an opportunity for high school seniors to earn college credits while having an experience of college life. Students enroll in college classes and interact with college faculty, staff, and other students. These students can earn college-level credits while continuing to complete high school. Students can earn up to 30 college credits while satisfying New York State High School graduation requirements.

AP Capstone Program: AP Capstone is a diploma program from the College Board. It's based on two yearlong AP courses: AP Seminar and AP Research. Rather than teaching subject-specific content, these courses develop students' skills in research, analysis, evidence-based arguments, collaboration, writing, and presenting. Students who complete the two-year program can earn one of two different AP Capstone awards, which are valued by colleges across the United States and around the world. Students who earn scores of 3 or higher in AP Seminar and AP Research and on four additional AP Exams of their choosing receive the AP Capstone Diploma. Students who earn scores of 3 or higher in AP Seminar and AP Research but not on four additional AP Exams receive the AP Seminar and Research Certificate.
