COMMUNITY

Yellow Springs Exempted Village School District consists of one elementary school and one secondary school with a school population of approximately 660. Yellow Springs Middle/High School is a comprehensive high school for grades 5 through 12. The high school has a small student/teacher ratio of 18:1. Our 11th and 12th-grade students have the option of attending the Greene County Career Center in Xenia, Ohio, which offers 25 different programs in trade, health, and business areas.

Yellow Springs (population - approximately 3,700) has a country setting, some 20 miles northeast of Dayton. Located in the village are Antioch College and several major industries, and Wright Patterson Air Force Base is 10 miles away. There are six colleges and universities within a 20-mile radius. A state reserve, state park, and private nature reserve are all contiguous to Yellow Springs. Yellow Springs is a racially and culturally diverse community with enthusiastic individual participation in community affairs.

ENROLLMENT

2026 Graduating Class: **61**

Current School Enrollment (Grades 9 through 12): **213**

MEMBERSHIP: League of Innovative Schools

DESIGNATION: Best Communities for Music Education by NAMM Foundation

GRADING SYSTEM

Grades are issued on a 4-point scale (A=4; B=3; C=2; D=1)
(A= 90-100, B=80-89, C=70-79, D=60-69, F=0-59)

Note: Pluses and minuses may be optionally used by the teacher but are not regarded in calculating grade point averages. Grade point averages are computed based on full year course final averages. Junior and senior grade point averages are computed in January and June to determine eligibility for National Honor Society. Beginning in the 2017-18 school year, class rank is no longer reported, and valedictorian and salutatorian distinctions have been replaced with summa cum laude, magna cum laude, and cum laude designations.

GRADUATES ENTERING COLLEGE

70% to four-year institutions
15% to two-year institutions
15% to travel/employment/military

ADVANCED PLACEMENT PROGRAM

Yellow Springs High School offers AP classes in English Literature, English Seminar, Biology, Chemistry, Physics I, Calculus AB, US History, Research, 2D Drawing, and Studio Art.

CO-CURRICULAR ACTIVITIES

Students can choose from a wide variety of co-curriculars, including 13 varsity sports, band, orchestra, debate, School Forest, 3 yearly drama performances, student review board, yearbook, to name a few.

COMMUNITY SERVICE/CAPSTONE EXPERIENCE

Students are required to complete fifteen hours of community service per year (45 TOTAL) as a requirement for graduation. Seniors must complete and present for the school community an Experiential Learning Practicum- highlighting an area of research or expertise they are passionate about and are considering for their future employment.
