Grade Level Goals:

Students who complete this course successfully will be able to:

- Reading with accuracy, fluency, and comprehension
- Add and subtract with regrouping
- Place Value
- Number sense & math fluency; basic math facts adding and subtracting within 20 with automaticity

Student Evaluation:

The grading system for 2nd Grade is as follows:

- 40% daily assignments (formative) and 60% summative assessments
- Homework does not need to be graded; however, it should be reviewed for understanding. At teacher discretion, homework may count for a maximum of 10% of the 40% daily assignment weighting.
- A minimum of one daily grade per week should be recorded per core content area. At teacher discretion, there may be a greater number of daily grades; however, as appropriate, there may be weeks in which a daily grade may not be taken in every subject area.
- A minimum of one summative assessment grade per three weeks per content area must be recorded.
- Grades recorded should be reflective of a student's mastery of the TEKS taught during that grading period.
- Official grades will be in Skyward only and can be accessed by student and parent through Family Access.

Elkins Elementary

Assignments, exams, expectations outside of the classroom:

Students are expected to read every night for 15-20 minutes with a parent, practice rainbow sight words and practice addition and subtraction fact fluency. Parents are expected to check their child's Take-home Folder for important school information and graded papers. Please initial on Fridays/weekend on your child's Elk Pride log. Students are expected to come to class on time with their materials, including their take-home folder and any other materials for other teachers (ie. Dyslexia folder).

Attendance/Tardy Policy/Make-Up Work:

Attendance will be taken according to the District Guidelines.

Classroom Expectations:

Students will demonstrate the Elk Way every day at school. They will Encourage Others, Lead/Learn/Grow, and Show Kindness every day. Students will show respect to all peers and adults through their words and actions. Students will be prepared to learn when they come to their classroom. Students will make sure their folder is taken home and checked by a parent/guardian each night.

Academic Integrity:

Academic integrity values the work of individuals regardless if it is another student's work, a researcher, or author. The pursuit of learning requires each student to be responsible for his or her academic work. Academic dishonesty is not tolerated in our schools. Academic dishonesty includes cheating, copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or other supervising professional employee and considers written materials, observation, or information from students. Students found to have engaged in academic dishonesty shall be subject to disciplinary and/or academic penalties. The teacher and campus administrator shall jointly determine such action.

Homework:

Students will be sent home with a spelling list to study at home, tests will be four days after the list has been given. The lessons follow a calendar, but when we have days off it throws off the schedule.

Knowledge homework is optional but encouraged to help support your child at home.

Math homework is optional and will be sent home on Fridays (or the last day of the week). PBIS points will be rewarded when turned in.
