Letter from the Principal

Cormier Families,

Welcome to the 2026-2027 school year! I hope you and your family have had a wonderful summer filled with opportunities to relax, recharge, and make lasting memories. As we begin another exciting school year, I am thrilled to welcome both our new and returning Cormier families.

I look forward to meeting many of you at our Meet Your Teacher Night and seeing our hallways once again filled with smiling faces and excitement. There is nothing better than watching our students walk through the doors, eager to learn, grow, and make new friends. Cormier is truly a special place, and our caring, dedicated staff is committed to helping every child feel safe, valued, and welcomed from the very first day of school.

Our district vision is "Excellence in education so every student will achieve their full potential." At Cormier, we work each day to bring that vision to life. Our talented teachers and staff are passionate about early childhood education and are dedicated to creating engaging learning experiences that inspire curiosity, build confidence, and meet the unique needs of every student.

We believe that a strong partnership between home and school is essential to student success. I encourage you to stay connected by visiting our district website, following Cormier School on Facebook, reading our Weekly Wednesday communications and monthly newsletters, and checking your child's SeeSaw account regularly. These resources will help you stay informed and celebrate the wonderful learning taking place throughout the year.

Thank you for entrusting us with your child each day. We are honored to be part of their educational journey and look forward to working together to make this a successful and memorable school year.

Inside this packet, you will find important information to help your family prepare for the start of school. If you have any questions or need assistance, please do not hesitate to contact our school office. We are always happy to help.

Sincerely,
Brian Carter
Cormier School Principal
