How to Match Common App to Naviance Student

FERPA Waiver

Naviance Student

Very Important Notice:

- Common App: After you Match Accounts when listing schools in Common Application, the school will automatically show up in “Colleges I’m Applying To”.
- Counselors will NOT send transcripts or Letters of Rec. until we receive a Transcript Request for that individual school from you as the student.

Naviance/Common App: One and Done

Naviance: "One and done" submission process

Beginning with 2021-2022 applications, Naviance's integration with Common App will move to a simplified one-and-done workflow. Going forward, this allows for only one submission per form type, including school reports, counselor recommendations, fee waivers, the optional and mid-year reports, and teacher evaluations. After submission, these forms will be made available to all colleges to which a student has applied or subsequently applies.

- Even if only ONE college you're applying to needs a counselor letter of recommendation, submit this transcript request form FIRST.
- Once your counselor uploads your transcript, they must indicate if you need a letter. They cannot re-submit later on.

Requesting Transcripts

Complete Transcript Request Form

- TURN IN WELL BEFORE DEADLINE
- Provide counselors with at least 12 school days to process requests
- Make sure that you turned in your transcript release form that was received last week!

***All requests for a counselor letter of recommendation from Mrs. Gergenti must be submitted by October 23, 2026!**

Self-Reported Transcript and Academic Record System (STARS)

- An online platform where high school applicants manually enter their high school courses, grades, and academic history directly for college evaluation instead of initially sending official school transcripts.
- Seniors must use their unofficial transcripts to complete the STARS.
- **Unofficial transcripts are now available on Naviance!**

Institutions that require the STARS (39 total):

- Penn State
- University of Pittsburgh
- Temple University
- University of Delaware
- New York University
- And more!
  - Full STARS List Here!

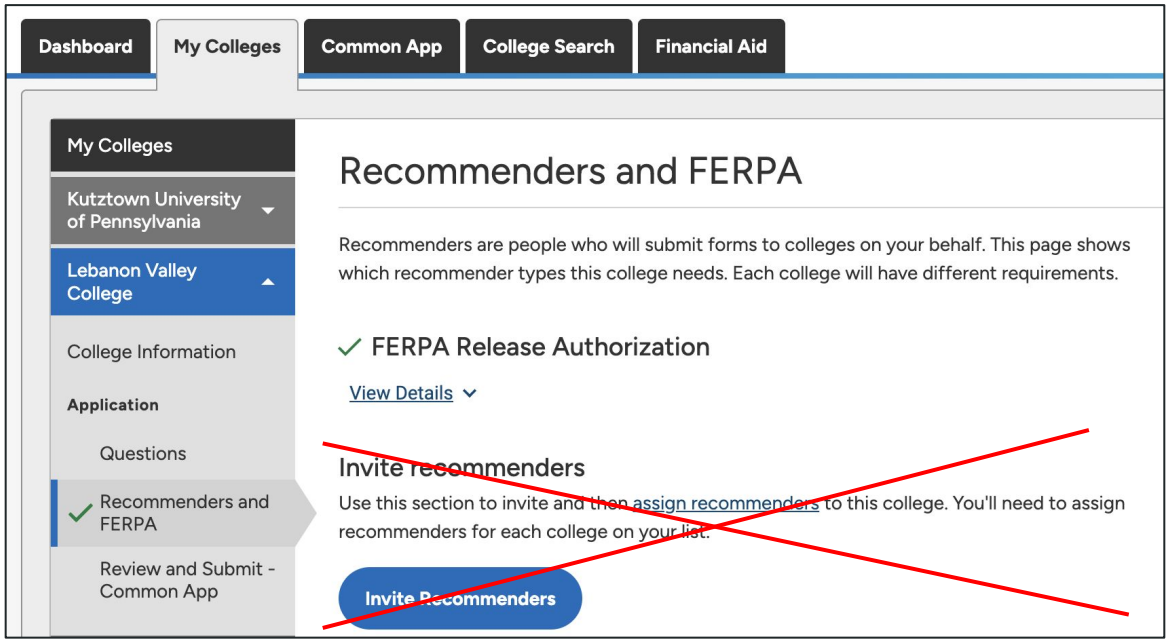

Tip: *Requirements vary by college. Be sure to follow the instructions provided in your applicant portal or college communications to understand what's required.*

Teacher Letter of Recommendation

Every teacher is different— please, ask them directly to understand what materials they require to write your letter of recommendation. Some teachers may want you to obtain a teacher letter of recommendation form to write your letter of recommendation. Teacher letter of recommendation forms are available in the counseling office.

Teacher Recommendation (cont.)

*Important: Do **NOT** request or invite a teacher to write a letter through your Common Application. You will only need to invite them through your Naviance student account.

Decision Outcomes

Accepted	You have until May 1st to notify the college
Rejected	Don’t take it personally
Waitlisted	You are a backup for the college. Notify the college immediately if you want to remain on the waitlist.
Deferred	You haven’t been accepted yet...but might be later. They want to see more from you such as more test scores & senior grades.

Please notify each college you’ve applied to once you’ve made a final decision on the college you will be attending - this will free up spots for other students to attend those colleges.

    a. SAT - www.collegeboard.org
    b. ACT - www.actstudent.org
