VICTORY:

Required College & Career Guidance Notice to Parents: Victory provides college and career advising to its 7th-12th grade in a variety of ways. For 7th graders, students explore careers by completing assignments during their computer class using Idaho's Next Steps online platform. For 8th graders, the high school registrar helps students prepare their high school four-year plan. 8th graders also complete weekly Next Steps career prep assignments and activities throughout the year during their scheduled computer lab. These assignments are reviewed by the high school's Life Skills/apprenticeship teacher in preparation of the 8th-graders entering high school. At the high school level, the high school registrar, apprenticeship coordinator, and teachers take part in college and career advising through such activities as one-on-one college & career advising, apprenticeships/career exploration, and completion of a college binder in their junior year (which includes completing college applications). High School students must also complete the Life Skills class. Daily, at the beginning of every high school class, Core Knowledge and SAT prep questions are reviewed. College representatives also visit the school throughout the year. A College Night is scheduled annually in the fall so parents and students can meet with college and university representatives, military recruiters, and others. Victory's state-approved, College and Career Advising and Mentoring Plan can be found on Victory's website at www.victorycharterschool.net, under the Parent Involvement tab.

The 2026-2027 Title IA & Families-in-Transition PowerPoint presentation is available for viewing on the school's website at www.victorycharterschool.net, under the Parent Involvement tab.

The school's Wellness Policy Plan Program Update is on the school's website. If parents and students would like to review and provide comments, they can do so by sending comments to office@victorycharterschool.net. Comments received will be shared at the governing board meeting where the wellness policy plan is on the agenda.

Please remember, if your address changes at any point in the school year, please notify the school's front office so we can keep our records up to date. Thank you.
