About me

Hi! My name is Hallie Krzys, and I'm so excited to be the Title Reading Teacher at DIS! I graduated from the College of Wooster in 2025, where I studied English and Education and also played soccer! I am a huge soccer fan and love playing, watching, coaching, or just talking about soccer! Outside of school, I love to hangout with my family and friends. I live at home with my family and our 3 dogs, Sophie, Penny, and Daisy. I can't wait to meet and get to know everyone! I can't wait for a fun year of lots of learning, growing, and reading!

Teaching Philosophy

I believe students learn best when they feel safe, supported, and valued. I strive to create a welcoming classroom with clear routines where every student feels a sense of belonging. I believe in meeting students where they are, making learning accessible, engaging, and meaningful for everyone. Along with building strong academic skills, I value helping students develop confidence, independence, resilience, and kindness. My goal is to create a classroom where students feel excited to learn, comfortable being themselves, and supported as they grow into confident learners and thoughtful people.
