Financial Aid

ALL IN FOR FAFSA/CA DREAM ACT

FINANCIAL AID FOR ALL STUDENTS

A **Free Application for Federal Student Aid (FAFSA)** or **California Dream Act Application (CADAA)** allows students to be considered for federal aid (FAFSA applicants only), state aid, institutional aid, and loans. Completing a FAFSA or CADAA provides access to students and their families to various financial aid options, allowing them to make an informed decision about pursuing a college, university, or vocational school.

Starting in the 2022-23 academic school year, high schools, and school districts (Local Educational Agencies) will need to ensure that all 12th graders in the state of California complete a FAFSA or CA Dream Act Application, unless the student has formally submitted an opt-out waiver. The goal of “All In for FAFSA/CA Dream Act” is to expand access to financial aid to thousands of students who may have otherwise not been aware of these opportunities.

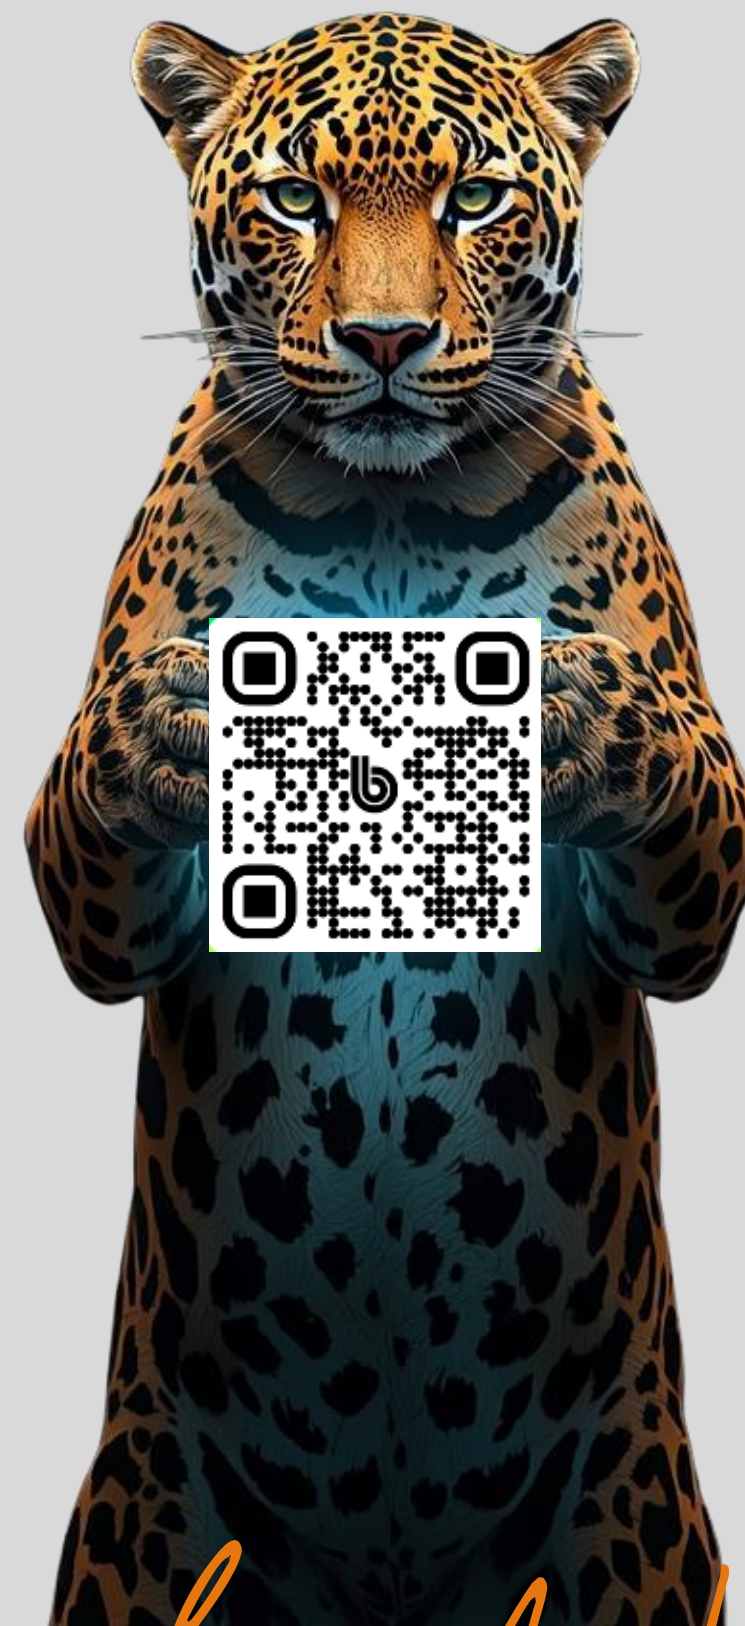

FAFSA Application Oct 1st 2026 - June 30th 2027
Application Workshop - October 14th
