

21 Days. One Challenge.
LET'S SHOW UP, RED CLAY!

Starting TODAY, Red Clay's 21-Day Attendance Challenge is ON!

For the next 21 school days, we're challenging every student to show up on time, every day, and ready to learn. Every day in school means more time to learn, connect with teachers and friends, and build habits that lead to success.

Be present. Be on time. Stay engaged. Every day counts.

Families are an important part of the challenge! Keep consistent morning and bedtime routines, plan ahead for transportation, and reach out to your school when you need support.

Let's make EVERY ONE count!
